

PTSD Demonstration Claim

Veteran: Roger Martinez	Claim number: 6Y03XX00
DOC: 01/14/2022	EP: 020 - New

NOTE: We use the VBMS Demo Candidate Martinez for all demonstration claims. If you follow along during the demonstration inside of VBMS Demo you will have multiple EPs for Roger Martinez. Please focus on the development action that is being demonstrated inside of the training environment. This demonstration is about Post-Traumatic Stress Disorder (PTSD) claim and the proper steps necessary to take those actions.

The Veteran submitted a claim on VA form 21-526EZ (SEP2019) for PTSD on January 14, 2022.

Of record in his electronic claims file are:

- Verified service (Navy 08/01/1980 to 07/31/1990)
- a signed VA Form 21-526 received January 4, 2003
- a 3101 request and response from NPRC for an M01 and S01
- The STRs are silent of any complaints of anxiety
- Rating Decision and notification letter dated June 16, 2003 which show he has previously claimed and been denied hearing loss due to no current diagnosis
- CAPRI Enterprise search shows Veteran has received treatment at the Baltimore VAMC for anxiety

His DD214 does not indicate any assignments in combat areas or show any combat badges, medals or awards.

Take all necessary development actions.
