

Trainee Instructions for eCase

VETERAN – LETICIA BROWN – FILE NUMBER: 6Y33XX00

In processing this claim you will consider the following actions to already be completed:

- You will have limited access to update systems compliance issues while processing eCases. Specifically, any system compliance issue that must be updated utilizing SHARE, such as Corporate Flashes, cannot be processed at this time. Any information that can be entered in VBMS Demo will be your responsibility to update and issues that require the use of SHARE will be annotated on your Development Checklist as completed.
- If direct deposit information is included on the VA Form 21-526EZ, you will treat the case as if a voided check was attached verifying the routing and account number. Then update VBMS Demo as required.
- **All documents are certified**, unless otherwise noted
- Any historical documents that may be provided (DD 214, STRs, Entrance and Exit Exams), are to give you necessary information to process the claim. Do not allow historical inaccuracies to divert your attention from processing the claim.
- Although STRs are limited, you will treat the STRs provided as the complete document
- If by chance, there is already an EP associated with the claim, continue to CEST a new claim. The purpose of this exercise is to develop the Southwest Asia claim.

Using all available systems and given the set of documents, the trainee will develop the following claim.

You must CEST the claim prior to uploading any documents

Please Note: You are being provided a number of documents that you will utilize to process this claim. All documents are contained in a single PDF. You will upload the PDF document and label as follows:

Subject: VA Form 21-526EZ with additional documents

Category – Type: Applications – Original Claim: VA 21-526EZ, Fully Developed Claim (Compensation)

Content Source: VBMS

- VA Form 21-4138
- Private Treatment Records
- VA Form 21-22
- CAPRI Enterprise Search
- VA Form 21-0966
- DD 214
- BIRLS Veteran Folder Management Information

NOTE: You will proceed as if all STRs are of record and there is no treatment noted for any of the claimed contentions.

DIRECTIONS:

1. This claim will be processed in the VBMS Demo environment.
2. Review each scenario using the most current laws, rules, and regulations
3. **ALWAYS** use the VA File number, NOT the SSN
4. Use your assigned "Y" and "XX" number
5. Properly label and establish date of receipt. All documents have simulated date stamps. You will need to determine the correct date of claim
6. Bookmark medical and dependency documents (if appropriate)
7. Order STRs/Personnel records (if appropriate)
8. Generate/Create any letters necessary for the claim (if appropriate)
9. Order Exams (If appropriate).

NOTE: When using the ERB tool, the system will ask you if you would like to create a tracked item for the exam in VBMS. Since you will be using the VBMS Demo environment, you will select "No" and you will have to go into VBMS Demo and manually create the tracked item. This is outside of standard policy, but must be done because VBMS Demo will not allow ERB to create a tracked item. **Remember:** a tracked item must exist for all exams.

10. Ensure all tracked items are added.
11. Enter final note into VBMS Notes.
